

Website Structure

Navigation: Home, Inventory, Build, Service, Car Collection, Consignment, Finance, Gallery

Service dropdown: Tune-Up/Service + Transportation

Consignment: Include in navigation, but position it lower on the site until approved.

Homepage

Hero / Main Image

Feature the **Cobra** as the primary image.

Include a strong CTA.

Inventory

Typically only **2–4 vehicles at a time**.

Display vehicles larger and more prominently rather than using a dense inventory grid.

Build

Dedicated section highlighting custom builds/projects.

Who We Are

Emphasize **40 years of experience** and the company's history of bringing exceptional cars to customers.

Include a couple of vehicle images beneath the introduction.

Add a **“Learn More / About Us”** CTA linking to the full About page.

Services

Tune-ups / service

Transportation

Consignment

Place toward the lower portion of the homepage, pending approval.

Social / Reviews / Events

Showcase social media, customer reviews, and upcoming/past events.

Footer

Branding

Update the existing **logo to a silver/white treatment** to better fit the new design.
